

# Chess Project Description

Balakirskiy M.V.

Ben Gurion University, Beer-Sheba

The description will be added when the project is made more solid.

Листинг 1: Just testing

```
1 template<typename... Arguments>
2 Rook(Arguments... args) {
3     for (auto i: args) {
4         poss_.push_back(i);
5     }
6 }
```
